SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

SMIP - California State Strong Motion Implementation Plan

SB 1473 - California Senate Bill 1473: Building Standards Administration Special Revolving Fund

COMP PLAN - City of Palo Alto Comprehensive Plan Maintenance Fee

1. A \$2.00 Permit Automation Fee is assessed on all permits.
2. A \$3.00/sheet Records Retention Fee is assessed on all plan sheets greater than 18" x 24".
3. Additional fees may apply, such as mechanical, electrical, plumbing, green building, and applicable Development Impact fees.  
See [http://www.cityofpaloalto.org/depts/pln/development\\_center/building\\_permits.asp#3.%20Fees](http://www.cityofpaloalto.org/depts/pln/development_center/building_permits.asp#3.%20Fees).
4. School impact fees are paid directly to the Palo Alto Unified School District. See [http://www.pausd.org/community/fees/school\\_impact.shtml](http://www.pausd.org/community/fees/school_impact.shtml).
5. A \$75.00 Fire Plan Check fee will be assessed when any of the following apply:
  - a. New single family residences larger than 3,600 s.f.
  - b. Additions to single family residences that would enlarge them beyond 3,600 s.f.
  - c. New single family residences and single family residential additions of any size that are located west of Interstate 280.

**City of Palo Alto Building Permit Fee Schedule (Effective Aug 15, 2009)**

**(These are approximate fees; the final fees will vary slightly when based on actual project valuation and Footnotes 1-4 below.)**
