The purpose of this scoping meeting is to provide the community with the opportunity to provide the City and its consultants with comments regarding the potential environmental effects from the project that should be addressed in the Draft EIR. This meeting is not a public hearing and no action will be taken.

DRAFT EIR PUBLIC REVIEW PERIOD

The Draft EIR will be available for review during a 45-day circulation period. If you would like to be notified of the dates of the public review period, please be sure to put your name and mailing address on the sign in sheet. A public hearing on the Draft EIR will be held by the Planning and Transportation Commission prior to going to City Council for approval. In the event you choose to challenge this land use decision in court, you may be limited to raising only those issues you raised at this scoping meeting, the public hearing, or by a written comment during the public review period.
