Article V. Compulsory Arbitration for Fire and Police Department Employee Disputes

Sec. 1. Declaration of policy.

It is hereby declared to be the policy of the city of Palo Alto that strikes by firefighters and police officers are not in the public interest and should be prohibited, and that a method should be adopted for peacefully and equitably resolving disputes that might otherwise lead to such strikes.

Sec. 2. Prohibition against strikes

Sec. 2. Prohibition against strikes.

If any firefighter or peace officer employed by the city of Palo Alto wilfully engages in a strike against the city, said employee shall be dismissed from his or her employment and may not be reinstated or returned to city employment except as a new employee. No officer, board, council or commission shall have the power to grant amnesty to any employee charged with engaging in a strike against the city.

Sec. 3. Obligation to negotiate in good faith.

The city, through its duly authorized representatives, shall negotiate in good faith with the recognized fire and police department employee organizations on all matters relating to the wages, hours, and other terms and conditions of city employment, including the establishment of procedures for the resolution of grievances submitted by either employee organization over the interpretation or application of any negotiated agreement including a provision for binding arbitration of those grievances. Unless and until agreement is reached through negotiations between the city and the recognized employee organization for the fire or police department or a determination is made through the arbitration procedure hereinafter provided, no existing benefit or condition of employment for the members of the fire department or police department bargaining unit shall be eliminated or changed.

Sec. 4. Impasse resolution procedures.

All disputes or controversies pertaining to wages, hours, or terms and conditions of employment which remain unresolved after good faith negotiations between the city and either the fire or police department employee organization shall be submitted to a three-member board of arbitrators upon the declaration of an impasse by the city or by the recognized employee organization involved in the dispute.

Representatives designated by the city and representatives of the recognized employee organization involved in the dispute, controversy or grievance shall each select one arbitrator to the board of arbitrators within three days after either party has notified the other, in writing, that it desires to proceed to arbitration. The third member of the arbitration board shall be selected by agreement between the two arbitrators selected by the city and the employee organization, and shall serve as the neutral arbitrator and chairman of the board. In the event that the arbitrators selected by the city and the employee organization cannot agree upon the selection of the third arbitrator within ten days from the date that either party has notified the other that it has declared an impasse, then either party may request the State of California Conciliation Service to provide a list of seven persons who are qualified and experienced as labor arbitrators. If the arbitrators selected by the city and the employee organization cannot agree within three days after receipt of such list on one of seven to act as the third arbitrator, they shall alternately strike names from the list of nominees until only one name remains and that person shall then become

the third arbitrator and chairman of the arbitration board.

Any arbitration convened pursuant to this article shall be conducted in conformance with, subject to, and governed by Title 9 of Part 3 of the California Code of Civil Procedure.

At the conclusion of the arbitration hearings, the arbitration board shall direct each of the parties to submit, within such time limit as the board may establish, a last offer of settlement on each of the issues in dispute. The arbitration board shall decide each issue by majority vote by selecting whichever last offer of settlement on that issue it finds most nearly conforms with those factors traditionally taken into consideration in the determination of wages, hours, and other terms and conditions of public and private employment, including, but not limited to, changes in the average consumer price index for goods and services, the wages, hours, and other terms and conditions of employment of other employees performing similar services, and the financial condition of the city and its ability to meet the cost of the award.

After reaching a decision, the arbitration board shall mail or otherwise deliver a true copy of its decision to the parties. The decision of the arbitration board shall not be publicly disclosed and shall not be binding until ten days after it is delivered to the parties. During that ten-day period the parties may meet privately, attempt to resolve their differences, and by mutual agreement amend or modify any of the decisions of the arbitration board. At the conclusion of the ten-day period, which may be extended by mutual agreement between the parties, the decision of the arbitration board together with any amendments or modifications agreed to by the parties shall be publicly disclosed and shall be binding upon the parties. The city and the recognized employee organization shall take whatever action is necessary to carry out and effectuate the award.

The expense of any arbitration convened pursuant to this article, including the fee for the services of the chairman of the arbitration board, shall be borne equally by the parties. All other expenses which the parties may incur individually are to be borne by the party incurring such expenses.

(Added by amendment filed with the city clerk, July 17, 1978)

Article VI. The Recall, Initiative and Referendum

Sec. 1. Recall.

Proceedings may be commenced for recall of any council member by the service, filing and publication of a notice of intention to circulate a recall petition. Proceedings may not be commenced unless, at the time of commencement, such council member has held office for at least six months and no recall petition has been filed against such council member within the

preceding six months.

The petition demanding the recall of the council member sought to be recalled, signed by registered voters equal in number to at least twelve percentum of the number of registered voters at the last general municipal election, shall be filed with the clerk. One election is sufficient for the recall of one or more council members, but a separate petition is necessary to propose the recall of each council member.

No signature may be affixed to the petition until the proponents have served, filed and published a notice of intention to circulate a recall petition, containing the name of the council member sought to be recalled, a statement in not more than five hundred words of the grounds on which the recall is sought, and the name and address of at least one proponent. The notice of intention shall be served, personally or by certified mail, on the council member sought to be recalled, and a copy thereof with a certificate of the time and manner of service shall be filed with the clerk. A separate notice of intention shall be filed for each council member sought to be recalled.

Within seven days after the filing of the notice of intention, the council member sought to be recalled may file with the clerk an answer in not more than five hundred words to the statement of the proponents and, if an answer is filed, shall serve a copy thereof, personally or by certified mail, on one of the proponents named in the notice of intention. The statement and answer are intended solely for the information of the voters and no insufficiency in the form or substance thereof shall affect the validity of the election or proceedings. The notice, statement and answer, if any, shall then be published in a newspaper of general circulation by the city clerk.

No signature may be affixed to a recall petition until the county registrar of voters has received two blank copies of the petition and has advised the proponents in writing that the form and wording are in order.

Seven days after the publication of the notice, statement and answer, if any, by the city clerk and provided all the requirements of this section re Notice of Intention, answers, and form of petition have been met, the recall petition may be circulated and signed. The petition shall bear a copy of the notice of intention, statement and answer, if any. If the council member has not answered, the petition shall so state. Signatures shall be secured and the petition filed within ninety days from the filing of the notice of intention. If such petition is not filed within the time permitted by this section, the same shall be void for all purposes.

The signatures to the petition need not all be appended to one paper, but said petition may be presented in sections. The number of signatures to each section shall be at the pleasure of the person soliciting signatures to the same. Any qualified voter of the municipality shall be competent to solicit said signatures. Unless and until it be proven otherwise by official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of qualified voters. Each signer of said petition shall at the time of signing the petition include his printed name and his place of residence, giving street and number and if no street or number exists then a designation of his

place of residence which will enable the location to be readily ascertained and the name of the city. A place at least one-inch wide shall be left blank after each name for the use of the clerk in verifying the petition.

Each section of the petition shall have attached to it a declaration signed by the circulator of that section of the petition, setting forth all of the following:

- (a) The printed name of the circulator.
- (b) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
- (c) That the circulator circulated that section and saw the appended signatures being written.
- (d) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.
- (e) That the circulator is a registered voter of the electoral jurisdiction of the officer sought to be recalled.
- (f) The dates between which all the signatures to the petition were obtained.
- (g) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury, with the signature of his name at length, including given name, middle name or initial, or initial and middle name. The circulator shall date the declaration immediately following his signature.

Within fifteen business days from the date of filing such petition, the clerk shall examine and ascertain from the records of registration whether or not said petition is signed by the requisite number of electors entitled to vote, and if necessary the council shall allow the clerk extra help for that purpose, and the clerk shall attach to said petition his certificate showing the result of said examination. If, by the said certificate, the petition is shown to be insufficient, it may be amended by additional signatures within ten days from the date of said certificate. The clerk shall, within fifteen business days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same, without prejudice, however, to the filing of a new petition to the same effect.

If the petition shall be found to be sufficient, the clerk shall submit the same to the council without delay, and the council shall thereupon order and fix a date for holding the said election within the time set by the general laws of the state of California. Candidates for this election shall file with the city clerk within the nomination period set by the general laws of the state of California.

At least ten days prior to the recall election, the clerk shall mail to each voter a sample ballot and a separate printed copy of the statement of the proponents and of the answer, if any, of the council member sought to be recalled. If the recall of more than one council member is sought, the statement and answer for each shall be printed together and shall be clearly distinguished from those of any other council member.

There shall be printed on the recall ballot, as to each council member whose recall is to be voted on, the question: "Shall (name of person) be recalled from the office of council member?" followed by the words "yes" and "no." If a majority of those voting on any question voted in favor of the removal of an incumbent, such incumbent shall be deemed removed from office upon the qualification of the successor.

On the recall ballot, under each question, there shall be printed the names of those persons who have been nominated in the manner provided herein as candidates to succeed the incumbent if such incumbent is recalled. No vote cast shall be counted for any candidate for the office unless the voter also voted on the question of the recall of the person sought to be recalled from that office. The name of the person against whom the petition is filed shall not appear on the ballot as a candidate for the office. If the vote recalls the council member, the candidate who has received the highest number of votes for the office shall be declared elected for the unexpired term of the former incumbent. If the person who received the highest number of votes fails to qualify within ten days after receiving the certificate of election the office shall become vacant. Said election shall be conducted, returned, and the results thereof declared, in all respects as are all other municipal elections; provided, that if there be any conflict of provisions this charter shall control.

Sec. 2. Initiative.

Each section of the petition shall contain a copy of the notice of intention to circulate and a copy of the proposed ordinance. The number of signatures to each section shall be at the pleasure of the person soliciting signatures to the same. But if such petition is signed by qualified and registered electors equal in number to twelve percentum of said number of registered voters at the last general municipal election and contains a request that such ordinance be submitted to a vote of the people at a special election, then the council must either pass the ordinance without alteration or submit the same to the electorate at a special election to be called within the period provided by the general laws of the state of California.

If the clerk's certification shows that the petition is insufficient by reason of the failure to obtain sufficient valid signatures thereon, a supplemental petition, in form a duplicate of the original petition, bearing new additional signatures may be filed within ten days of the mailing of the certificate of insufficiency to the proponents of the initiative. Supplemental petitions shall be processed by the clerk in the same manner as set forth herein with respect to original petitions.

Supplemental petitions shall be processed by the clerk in the same manner as set forth herein with respect to original petitions. If the petition is signed by qualified and registered electors equal in number to six percentum of the number of registered voters at the last general municipal election and the petition shall be found to be sufficient, the clerk shall submit the same to the council without delay and it shall be the duty of the council to reconsider such ordinance. (b) The discontinuance of the use of park lands acquired by funds obtained from a local assessment based on benefits.

Sec. 38443. Initiation of proceedings - Resolution.

Proceedings are initiated when the legislative body adopts a resolution declaring that public interest or convenience requires the discontinuance of the use of such land as a public park, and that the legislative body intends to call a special election to submit the question of discontinuance to the city electors.

If the land was acquired by money derived from bonds authorized for park purpose, and the land sold, the reasonable market value of the land at the time of adoption of the ordinance shall be transferred to the bond fund from such other municipal fund as the legislative body determines. If the land was not acquired from bond funds and the land is sold, the proceeds from such sale shall be deposited in the general fund of the city.
