

HOUSING PALO ALTO

A COMMUNITY CONVERSATION

Thursday June 28, 2018 | 6-8pm
Downtown Library | El Camino Room

Join us for an open house to learn about and weigh in on the implementation of the City's Housing Work Plan, Housing Element and the updated Comprehensive Plan housing policies.

This event will begin with an introductory presentation at 6:00pm followed by informal idea stations.

We'll be looking to share and hear ideas on potential changes to density standards, parking requirements, review processes, and use preferences in the City.

Light refreshments will be provided.
