

# Transportation & Construction

## Bicycle and Pedestrian Transportation Plan, renamed Active Palo Alto

The Bicycle and Pedestrian Transportation Plan update will establish plans to expand biking, walking, and other forms of non-motorized transit. The update is underway and will:

- Include robust community engagement
- Reevaluate previous plan progress
- Review safety data
- Explore e-Bikes and micro-mobility

Attend Bike Palo Alto on October 1 at Fairmeadow School to provide input on the plan, renamed “Active Palo Alto” to fully reflect all modes of physical transportation our community uses to get around Palo Alto.

## Churchill Ave/Alma St Railroad Crossing Safety Improvements

Safety improvements are being made at the Churchill Ave/Alma St at-grade railroad crossing including:

- Traffic signal modification
- Sidewalk realignment
- Roadway resurfacing
- Signage and striping

Site preparation work is complete and the contractor is expected to continue work in late January 2024 with an estimated completion in summer 2024.
