

Go Electric & Celebrate Earth Month All Year

Switching to electric is better for our environment and your wallet.

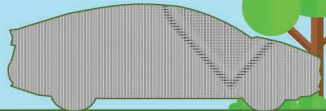

Switch to an electric heat pump water heater and be part of the community for change.

Install rooftop solar to enjoy lower utility bills and compensation for excess electricity you export to the grid.

PAL

Take a ride in town with Palo Alto Link, the City's easy, affordable, and eco-friendly rideshare service.

Join the EV Revolution and drive an electric vehicle.

Use an eBike instead of your car.
