

≈ INTRODUCING ≈

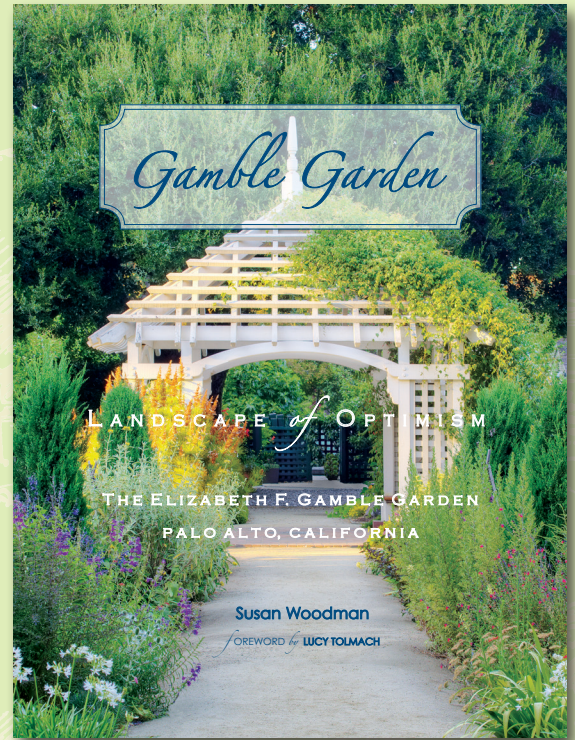

## *Gamble Garden: Landscape of Optimism*

by Susan Woodman

*A new book that celebrates*

- an early twentieth-century property in Palo Alto, California and how it has become a haven and treasured community centerpiece through a generous gift made by Elizabeth F. Gamble
- the energized citizens—with entrepreneurial spirit and compelling plans who prevailed in implementing their vision and ensuring the stewardship of the garden
- the deeply meaningful rewards in creating a public garden and its value to all who enjoy its offerings

**200 photographs, 136 pages, 8 1/2 x 11, hardcover**
