**Contact Public Works Inspection minimum 24 hours prior to starting work: 650-496-6929**

Permittee affirms that the facts stated heron are true and agrees that they, their agents, employees, and contractors shall perform all work described heron in conformance with ordinances and standard specifications of the City of Palo Alto, all pertinent state laws and to the plans specifications approved by the City Engineer. The work allowed in this permit shall be performed by an appropriately licensed contractor as required in the Palo Alto Municipal Code. The Permittee shall pay the cost of all soils investigation and compaction tests, and shall reimburse the city for any services provided as may be required by the City Engineer, Utilities Department, or Police Department. Permittee further agrees to hold the City of Palo Alto, its officers, agents, and employees harmless from all costs and damages which might arise from the Permittee's use or occupancy of the public right-of-way. The Permittee also agrees to maintain required insurance coverage through the closure of the permit and sign off by the Public Works Inspector. This permit is subject to all attached conditions made part of the permit document and may be revoked at any time for violation of any of these conditions.

**The dewatering season is from April 1 to October 31. If dewatering occurs past permit expiration administrative fines may occur. Refer to Dewatering Regulations and Guidelines for more information.**
