ALTO**

Parklet Cleanliness Standards

1. Parklets and the sidewalk adjacent to the parklet shall be kept clean and litter free. Any food or drink stain shall be cleaned up immediately.
2. Power washing is required monthly and permittee shall maintain records and receipts for power washing to be made available upon request.
3. The drainage grates at the side of the parklet shall be maintained and kept clean and clear at all times to allow free flow of water. Any debris and leaves shall be removed immediately by the permittee.
4. Leaves and litter shall not be blown in the street and shall be bagged and placed in the appropriate disposal bin.
