

Bicycle Level of Traffic Stress - Bicycle Facilities

- | | | | | | |
|--|-------|--|-------------------|--|------------------|
| | LTS 1 | | City of Palo Alto | | Community Center |
| | LTS 2 | | Park/Open Space | | Library |
| | LTS 3 | | School/University | | Caltrain Stop |
| | LTS 4 | | Commercial Center | | Railroad |

Note: Split lines are only used for roadways with different conditions per direction (for example: bike lane in only one direction or parking only on one side), otherwise all roads are shown with only a centerline.
