

# Save thousands *and* the environment? How refreshing!

Switch to a new heat pump water heater today. Rebates, permits, contractors—one call does it all.

Switching to electric is better for your health, your wallet, and the environment. Upgrade to a heat pump water heater with one of these options.

## **FULL SERVICE SOLUTION\***

A City contractor provides standard installation for a total cost of \$2,700 due upon completion.

## **FULL SERVICE SOLUTION WITH MONTHLY PAYMENTS\***

A City contractor provides standard installation for \$1,500 plus \$20 monthly payments on your utility bill for 5 years.

## **APPLY FOR A REBATE**

Choose your own contractor to provide installation and apply for a \$2,300 rebate.

\* Some homes may require additional modifications and upgrades, which may increase costs.
