

**DO YOU LIVE IN A SINGLE-FAMILY HOME?**

# Start the Year With a Charge!

The City of Palo Alto Utilities has collaborated with Qmerit to provide single-family homeowners with EV charger installation assistance. Qmerit connects homeowners with local and vetted professionals to install home EV chargers. It's as easy as 1, 2, 3—visit the installation portal, answer a few questions, and upload some photos to receive a project estimate.
