

YOUR PREMIUM OPPORTUNITY TO BUY AN ELECTRIC VEHICLE WITHOUT PAYING PREMIUM PRICES.

The City of Palo Alto Utilities is participating in Cool the Earth-Ride and Drive Clean's **Pre-Owned EV Discount Campaign** running from late April through the end of May. Take advantage of great pricing and find your ideal certified, pre-owned electric vehicle (EV). Don't miss out on this limited-time opportunity to drive emission-free.

Ride and Drive Clean has partnered with eMotion Autos, an EV dealership committed to helping people find certified, pre-owned EVs within budget. eMotion Autos' target price is 5% below estimated retail pricing per Carfax or the equivalent. In addition, eMotion Autos will help income-qualified buyers take advantage of incentives worth thousands in additional savings. For purchases made during the campaign, eMotion Autos will provide a **free one-year, 12,000-mile service contract**.

For the latest updates on EV-related programs and events, visit the **Utilities Workshops and Webinars** webpage at cityofpaloalto.org/workshops and subscribe to the **Utilities Newsletter** at cityofpaloalto.org/utilitynews.
