

Weekly Street Sweeping is Back!

Starting October 16

Leaf season is here! Starting on October 16, and continuing through mid-February, streets in Palo Alto will be swept on a weekly basis. Street sweeping keeps our roads and paths safe, reduces flooding, and keeps litter out of our creeks and bay. Please help keep our streets and neighborhoods clean by:

1. Parking your car off the street on your designated weekly sweep day.
2. Keeping your leaves and yard trimmings off the street. It is illegal to place them in the street.
3. Raking leaves off storm drain grates during rains to prevent flooding.

For your street sweeping schedule and more information, visit www.cityofpaloalto.org/streetsweeping

Your raked leaves and yard trimmings can go in your green cart with food scraps and soiled papers.

For questions, contact:
