

FREE Technical Assistance

Get FREE, personalized assistance to help your business comply with the City's zero waste ordinances.

GreenWaste of Palo Alto has staff available to assist your business with establishing waste stations, container placement, and employee training.

FREE Technical Assistance includes

- Evaluation of your current waste services—site visit, waste audit, review of your current collection service, and estimate of cost savings by maximizing your recycling and composting
- Access to zero waste Best Management Practices (BMPs)
- Discussion of site-specific issues while working with you to implement BMPs and service changes
- On-site training on waste sorting requirements, providing posters and other educational materials
