## RENTAL CONDITIONS

**Reservations:** Reservation Applications are accepted up to a year in advance on a first come, first served basis, with preference given to on-going, City and City-sponsored programs.

Applications for the Cubberley Community Center are accepted beginning in May of each year for the booking period of September of the current year through August of the following year.

Applications submitted less than thirty (30) days prior to an event date are subject to the approval of the Facility Manager, availability of space, availability of staff, current insurance, payment of total fees, and special conditions for facilities such as gymnasiums.

**Application Submission:** Before a reservation request can be accepted the rental application must be filled out and signed by an authorized person 21 years of age or older. Name must be consistent on all required documents. Residency verification will be required to qualify for any applicable Palo Alto resident discounts. No reservation is confirmed until the application has been approved and the reservation payment is paid in full. Approval is dependent upon intended use, availability, applicant's agreement to abide by the terms and conditions listed herein and any other conditions deemed necessary by the Facility Manager (as attached to the approved contract).

**Insurance:** Your rental may require a certificate of general liability insurance that names the City of Palo Alto as an additional insured in the minimum amount of one million dollars due thirty (30) days before your event. Insurance must be provided by a carrier rated A-VII or higher by Best's Insurance Rating Service. Failure to provide or purchase insurance will result in the cancellation of the booking. Staff will let you know if insurance is required upon application approval.

**Fees & Charges:** See fee schedule for rental rates. **A down payment (50% of all incurred charges) is due upon application approval.** This is refundable, with written permit holder request, within 10 calendar days from application approval. Refunding the down payment will cancel your permit. After the 10 days has passed, the amount is no longer refundable. The remaining balance is due thirty (30) days before the event, this is also non-refundable. Failure to pay rental charges when they are due may result in cancellation of your reservation and/or charges to the credit card on file. Picnic areas, field house, camp sites, Interpretive Center meeting rooms, and Banners all require full payment upon application approval.

**A) Non-profit Discount:** Non-profits providing a majority (51% or more) of their service to Palo Alto residents are eligible to receive a non-profit discount. Palo Alto-serving organizations must submit an IRS letter of nonprofit 501(c) (3) status with their application. No discount will be given if fees are charged by the renting organization or donations requested for the event.

**B) Facility Staff:** Facility staff is required if the activity is held outside the posted hours of the facility or if the nature of the event makes their presence necessary. The facility staff is on duty to assist the client and for facility safety. The Facility Manager will determine the

number of staff required. In some cases, and at the permit holder's expense, the services of a professional security firm may be required based on the type of event and the number of participants. Permit holder is responsible for set-up, clean up, and take down of rooms. City facility staff will be on the premises at all times during rental period. *Staff will not be on site for rentals at the Alma Room or Peers Park Field House.*

### **C) Cleaning and Damage Deposits/Overtime:**

A refundable cleaning/damage deposit of up to \$2,000 may be assessed. Cleaning and/or damage expenses, extra staff time, and/or extra room rental time may be deducted from the cleaning/damage deposit and/or charged to the credit card on file. Permit holder will be signed out of the facility by the facility staff on duty, when applicable. Any charges incurred to return the venue to its original condition, reasonable wear and tear excepted, will be deducted from the cleaning/damage deposit and/or charged to the credit card on file. This deposit may be forfeited for violations of ANY rental conditions named herein.

If cleaning/damage deposit was charged, permit holder will be charged for any damages in excess of the deposit. If no deposit was required, permit holder will be charged for any damages, cleaning expenses, and overtime.

**D) Rental Time:** Must include time for set up, decoration, take down and facility clean up. Rental times differ among facilities so please check when events must conclude. Any requests to modify dates, times, rooms, equipment, etc., to an existing contract must be made in writing fourteen (14) days prior to the event. Any fees incurred due to the amendment will be payable immediately. Deliveries and pickups cannot be outside the rental period, unless prior arrangements are made with the Facility Manager. Items left beyond the agreed upon pickup will be discarded, and your deposit may be kept for additional time used in the rental space.

In respect for our neighbors, for events that have live or recorded music, the music must conclude by 11:00 p.m. on Fridays and Saturdays and by 9:00 p.m. Sunday through Thursday. Any exceptions require prior arrangements and approval of the Facility Manager.

**E) Cancellations:** Must be made in writing and received thirty (30) days before the event. **One half of rental fees and charges is non-refundable unless the City cancels the permit, wherein a full refund will be made. No refund is given if cancellation is made less than thirty (30) days before the event.** The City reserves the right to cancel an applicant's permit, if the City deems the facility not usable or unsafe due to natural causes, repair, renovation, or is deemed an unsuitable facility for the event by the City. Changes to previously approved permits may result in cancellation of the permit.

## SPECIAL CONDITIONS

**A) Liquor Conditions:** Sale or dispensing of distilled spirits at any rented City facility is strictly prohibited. The sale of beer and wine requires the Facility Manager's prior approval, liquor liability insurance, and a state license, which is the responsibility of the permit holder to obtain. No alcohol may be brought into the facility except that which is served by the

permit holder. Based on the type of the event, the number of participants, the presence of minors at the event, and other criteria, the Facility Manager may require additional security deposits, the use of City-approved security officers, and other safeguards at events that sell or dispense alcoholic beverages (beer, wine and champagne). No alcohol is permitted at Rinconada Pool.
